### • General

While many COVID-19 restrictions have been lifted, please be respectful of others and responsible in your behaviour. Inconsiderate, reckless or and social behaviour by anyone visiting Old Trafford will not be tolerated.

You must not engage in any conduct that is intended to transmit the COVID-19 virus to another person or any conduct that can be reasonably construed to be intending to transmit the COVID-19 virus to another person.

Please respect those working at Old Trafford. You must always follow signage and instructions issued by our staff. If you have any concerns, please contact your nearest steward or matchday host.

Please continue to wear a face covering when you are indoors at Old Trafford if you can. Although the legal requirement to wear a face covering in England ended on 19 July, the Government recommends that people continue to wear a face covering in crowded and enclosed spaces. Exemptions apply.

If you wish to use an exemption card or badge, you can download an exemption card template.

If you feel unwell, particularly with a cough or temperature, contact your nearest steward or matchday host immediately.

Maintain good hand hygiene and avoid touching your face whenever possible. There will be sanitiser dispensers provided. If you touch any common areas (for example handrails) please sanitise your hands immediately.

Observe good respiratory etiquette at all times – cover your mouth to cough or sneeze.
